

Refurb (Wyre & Fylde) Ltd The Fylde Coast Furniture Project

All upholstered must comply with the **Furniture & Furnishing (Fire Safety Regulations 1988)**. As a Charity we are not allowed to sell or give any item of furniture that is upholstered without it having a 1988 Fire Safety Label stitched into it, so don't be upset if we have to refuse your donation.

Upholstered items such as: Sofa's, armchairs, dining chairs, headboards, bedding boxes, recliners must have labels like this sewn into them

Bed bases & mattresses must have this sewn into it in order for us to collect them

We are sorry but if your furniture has this label sewn into it does not meet Fire Safety Regulations & we won't be able to collect it
